Welcome back to year 10, 11, 12, and 13 students and a particular welcome to new students in year 9 as well as other students coming to our school for the first time. Currently we have 94 students enrolled in year 9. It is great to have such a large number of students choosing Bay of Islands College.

Thanks to the staff for an excellent start to the year.

It was fantastic that the Governor General Sir Anand Satyanand and Lady Susan accepted our invitation to visit our school. We wish him all the best for the future and thank His Excellency Sir Anand and Lady Susan for giving their time, energy and support to the learning of our young people. There are a number of young people who will remember his speech and the wisdom he shared with our people.

We thank him for the gift of a Book, Bateman New Zealand Historical Atlas Visualising New Zealand (Ko Papatuanuku e Takoto Nei) for the library and the resources of the role of the Governor General which will be used in our classes.

Regards
Elgin Edwards, Principal
