### **Year 12**

### **2012**

Dear Parents, Caregivers and Students

## **INFORMATION FOR 2012**

Welcome to Enrolment at Bay of Islands College

Planning for 2012 is now well on its way by the College and we have put together the following information for parents, caregivers and students to assist in a smooth start for next year. Please read it very carefully and don't hesitate to ask any questions about it.

Information on uniform, stationery, attendance and leave passes, security and the student code of conduct reflect the college's expectations of its students. (The stationery list can be used as a guide as these may be subject to change). Also enclosed is an indication of our college's Annual goals / targets for 2011-2012.

You will be making your course selection for 2012. Choose with a challenge in sight for you to aspire to academically, have a sense of purpose about yourself. Be confident that success is achievable by having a:

- positive attitude
- being a reflective learner
- actively engaging "academic talk"
- maintaining a good sense of humour
- surrounding yourself with friends who support your goals and being physically fit to list a few of the key attributes.

Discuss with the Dean/Head of Faculties the best possible subject choices for you. Ask if you are unsure as the staff are only too keen to assist you.

Please have a copy of your birth certificate and your last year's report with you for your entry interview. As part of your enrolment you will also be expected to complete an entry literacy and numeracy test. Your Dean will be sending an information request to your previous school prior to your entry.

If enrolments are left until very late this year or even early next year it becomes virtually impossible to design the most effective timetable for your child/ren as we are unaware of class sizes and what options students have chosen. We operate a 'first come, first served' philosophy for option selection. Those who leave their enrolments until very late could find that their option choices become very limited as the more "popular" choices have been closed as they are full.

Bay of Islands College personnel will consult with your teachers either from last year or at your previous school to assist in your child's placement.

We look forward to welcoming students in 2012 to a full year of academic, cultural and sporting promises.

Yours sincerely

Elgin Edwards  
Principal

## **MISSION STATEMENT**

**“Bay of Islands College will develop respectful students, maximising their potential”**

## **STUDENT CODE OF CONDUCT**

Students of Bay of Islands College are expected to be supportive of each other in achieving their educational goals. **No student has the right to impede the educational progress of any other student.**

- **Set high educational goals each year.**

Set daily, weekly, termly and annual goals.

Plan times so that deadlines can be met.

Attend class ready to learn and to support the learning of others.

Arrive at school and in class on time.

Work consistently in class.

Work with your teachers in a positive manner.

- **Treat others with respect.**

Show respect towards students, staff and visitors. Follow our College's Kaupapa of **“Project Respect”**

- **Make the most of the educational opportunities offered by Bay of Islands College in and out of the classroom.**

Participate in sport and cultural activities.

Offer service to the school and community.

- **Protect the school environment as a healthy and safe place.**

Keep classrooms and grounds clean, tidy and free from vandalism/rubbish

Never bring cigarettes, weapons, drugs or alcohol to school.

Remember our College is a SMOKEFREE and DRUG FREE School.

Never behave illegally or break any rules laid down in law.

- **Preserve the good name of the College.**

# GENERAL INFORMATION

## **ATTENDANCE**

School is a place of work and for our students to be successful in their work they must attend school whenever the College is open. We allow a maximum of 15 days absence in one year, where this is absolutely necessary. Parents should contact the school whenever a student is going to be absent. If this is not possible, students must always, on the first day of return to College, give a note signed by their parent to the student centre or Form Teacher. The note should give the reason for and date of their absence. During school hours students must be in class unless they are carrying a permission slip from their teacher.

The Student Centre can be notified of any absences – (09) 4041056. Student Support personnel may contact you on any truancy matters.

## **HEALTH**

Students who are ill during the day, or who are injured while at school, are attended to at the Student Centre. Students who require medication during the day should leave it at the Student Centre. If a student is too ill to return to class, parents will be notified to make arrangements for transport home.

Parents are asked to advise the College of any physical disability or medical condition which could affect the student at school so that correct first aid may be administered in cases of emergency.

The Public Health Nurse, Michele Panov, is available on Monday and Thursday. The School Doctor, Dr Hoffer, visits the school twice a week also. Adjacent to the school is 'The Rural Beat Health Centre'. Appointments to be made at the Student Centre by way of note from the parent/caregiver.

## **PASSES**

Students who have **dental, medical or specialist** appointments during school hours must bring a note from their parents and take it to the Student Centre no later than 8.35am. It will be counter-signed and students on departure and return are required to notify the Student Centre personnel. A dental appointment form is available.

During lunchtime students **must** remain on the College grounds. If an emergency arises, a **special lunch pass** may be issued by the Deputy Principals / Dean.

Students should always wear correct school uniform. Students who are not correctly dressed will be sent to the Dean. Disciplinary consequences will follow for repeat offenders.

## **TRANSPORT**

Bus Transport is provided by Bay of Islands College as assistance to parents getting students to school. Students who use this service are expected to show concern for the health and safety of others when travelling on buses. If you have any concerns about buses, please telephone and ask to speak to Mr Smyth / Mr Edwards (Principal).

## **SECURITY**

Neither the use nor possession of **cigarettes, cigarette lighters, alcohol or drugs** is permitted at school, when in uniform, or at any school function. Also Vivids are completely banned at school.

Cell phones are permitted at school. A school telephone is available for students to use. Any cell phone used or turned on during class time and/or interfering with learning time will be confiscated and it may be collected from the school office at the end of the school day. If it is confiscated a second time parents will be asked to make an appointment to see Mr Edwards to have the cell phone returned.

All articles of **clothing and possessions** should be clearly marked with the owner's name.

**Valuable articles** and **large sums of money** should **not** be brought to school. Any payments may be deposited at the Front Office from 8.30am.

A limited number of **lockers** are available. If a student requires a locker he/she may apply to the Deputy Principal through their Whanau Teacher. The student must provide their own combination lock. The school will not accept any responsibility for items stolen from lockers.

Any **lost property** should be reported immediately to a teacher and to the Student Centre, where lost property is kept. Named property is returned to students. If property is stolen it must be reported **immediately** to the teacher and to the Student Centre.

Students are **not** permitted to have **visitors** at school. All other visitors are required to introduce themselves at the front office. Their presence on the school site must be approved by the Principal or a Deputy Principal. If approved, a visitor will be issued with a Visitors Pass.

### **NEWSLETTERS**

The Principal sends out a newsletter to parents/caregivers on a regular basis. Educational news, student achievements and activities, and events for parents are brought to your attention each newsletter. Other events and opportunities your child may be offered by a teacher will be communicated to you as they arise.

### **ENROLMENTS**

In 2012 School is open to enrol new students from Wed Jan 26<sup>th</sup> up to and including Tues Feb 1<sup>st</sup>. Early enrolments are vital so students do **NOT** miss out on option choices and a timetable can be properly structured for the school year. Enrolments can be received from Term 2 onwards of the year prior to entry. There are specific enrolment events which will be publicised but we are also able to cater for individual needs if you wish to enrol your child early. Please make an appointment at the school office to meet with the relevant staff member.

# GATEWAY 2012 WORKBOOK

## Welcome to the Gateway Programme.

The Gateway programme is designed to strengthen the pathway for you from school to the workplace learning.

Gateway allows you to participate in workbase training and assessment in the workplace. You will gain valuable insight into working life as well as gain employment skills you experience in the industry.

The learning that will take place is hands on and practical. This experience will help you on your way with your career pathway.

The learning in the workplace compliments the learning you are doing in the classroom with your curriculum subjects you are studying this year. The skills and knowledge you gain in the workplace will be assessed and credited to you when you have achieved the requirements needed.

This workbook will help you record the different experiences you will have in the workplace. It is very important that you have your workbook with you every time you are in the workplace.

You are expected to: -

- ☺ Complete every section of this workbook
- ☺ Attend the days in the workplace you have been allocated
- ☺ Follow all instructions
- ☺ Behave in such a way that neither the Student nor other people are at risk by the Student's actions.
- ☺ Take pride in their appearance and have a good attitude at all times.
- ☺ Use all tools, equipment, safety equipment and clothing issued to the Student in a safe and responsible manner
- ☺ Represent your school well, which will ensure continued links with industries
- ☺ Responsible for taking the Workbook to the workplace, completing all necessary areas and returning it to Gateway Staff for review after each visit.
- ☺ Complete assessment to the best of your ability.

At the end of the placement your employer will make an assessment of your performance. You will also be expected to evaluate your employer and comment on your experiences.

When your Gateway experience is finished you will complete the last page of you workbook "Where to Now?"

You are encouraged to talk to Gateway or your employer if you are having difficulties in understanding what is required of you.

GOOD LUCK
